Summer - 2019

Dear Middle Schoolers,

Getting your school supplies ready for September is an important part of your preparation for next school year. Here is a list of supplies you need to have for the beginning of school. We would ask that you get everything on your list. That does not mean you are limited to items on your list. If there is something that you feel you would benefit from, either from an organizational standpoint or for some other reason, please feel free to go beyond this list. This list is the bare minimum that we ask you to have to be prepared for next year.

There are two lists. The first list is a personal list. These items are for your personal use. The second list is a community list. This list is for items shared within the entire class.

Good luck and we hope you enjoy your summer. As always, if you have any questions, concerns, comments, or just want to get in touch feel free to e-mail us at middleschool@tmsainc.org.
