Middle School - Mr. Davis and Mr. Gomes

During November - November is a busy month of preparation for the Middle School. It is the month that the 8th Grade starts their placement test prep for high school. The Middle School also helps prepare the annual Thanksgiving meal in conjunction with the Upper Elementary class.

Did you know??? That every morning the Middle School students are in charge of leading the morning prayers and announcements. They delegate prayers to the younger students, make any relevant announcements and check for birthdays, so the birthday girl or boy can be sung to by the entire Elementary and Middle School.

Atrium - Mrs. Pimental

During November - As we approach the end of one Liturgical Year we will begin to prepare for another. We will be thinking about Mary as she awaited the birth of her child. We will be studying the prophets and what they foretold about the coming of the Messiah. We will begin to prepare ourselves to celebrate the birth of Jesus.

Did you know??? The Atrium has a model of an Altar that the Preschool/Kindergarten can set up just as it would be at Mass. This is a wonderful way to learn the names of the objects used at Mass as well as providing the children with the opportunity for quiet prayer.
